

WHAT IS VITA?

The Volunteer Income Tax Assistance (VITA) Program provides free income tax return preparation to hard working taxpayers earning up to \$52,000 annually. VITA helps working families take advantage of all of the tax credits they are eligible for including the Earned Income Tax Credit (EITC), Child Tax Credit (CTC), and education credits. Certified volunteers from the community help prepare basic, current year tax returns for eligible taxpayers free of charge.

WHO CAN BENEFIT FROM VITA?

A single individual whose income is under \$34,000 and families whose income is under \$54,000 annually are eligible to receive free tax preparation service.
